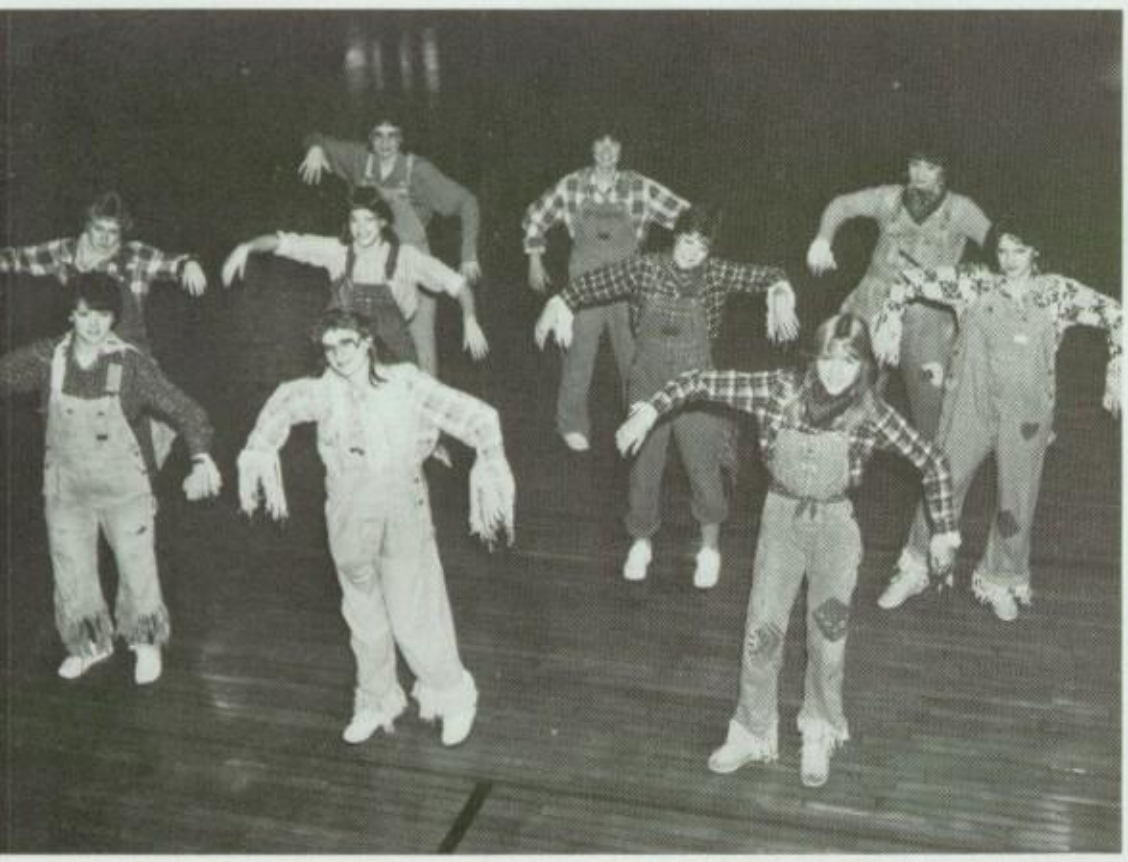
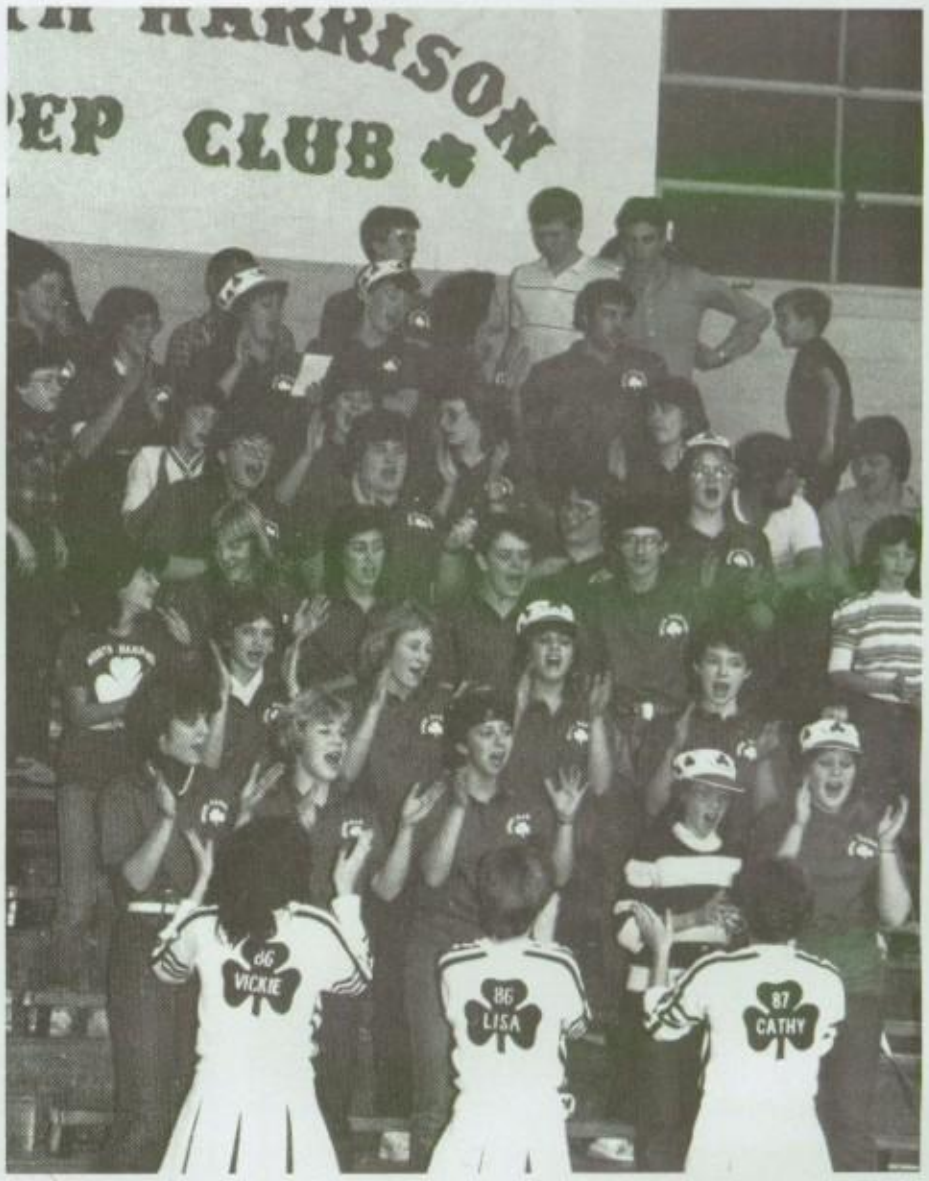
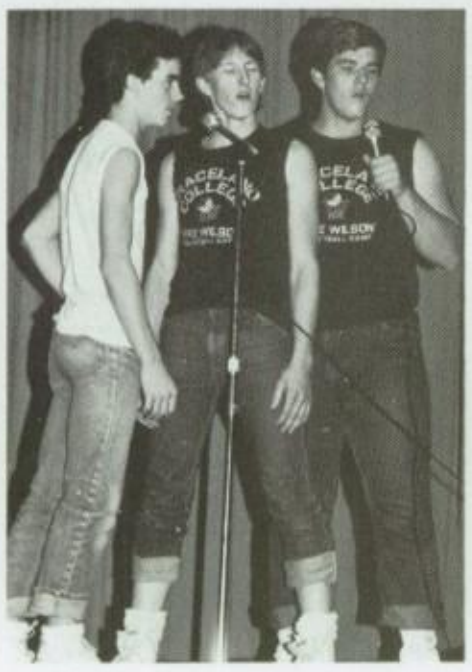
Mrs. Delcia McBroom developed a special school spirit potion during the 1984-85 year. She mixed her enthusiasm with student excitement and filled NHHS with a sparkle of Green and White Magic that was evidenced in the pep band's Shamrock caps and by their rousing music played at junior high and varsity home basketball games.

The NH gym radiated with a green glow as a new 57 - member pep club in green t-shirts cheered for the varsity Shamrock teams. Delcia organized and sponsored the pep club.







A touch of patriotic spirit was added to NHHS as the pep band played our National Anthem before each home game.

The creation of a new dance team to perform at all music concerts was well-received by audiences in attendance. The dance team's first appearance was in the fall MVC (Music Video Concert) where they danced as scarecrows to a song from The Wiz.

Winter music programs were presented by the elementary and the high school music departments prior to the Christmas break.

MR. AND MISS SHAMROCK

Darrin Kabel and Martha Huitt were chosen as 1984-85 Mr. and Miss Shamrock by the high school faculty. They were judged on leadership qualities, participation in school activities, cooperation, and scholastic standing.

Martha was Student Council vice president and spent many hours trying to arouse spirit within the school. She played the trumpet in band and contributed her writing talent to the Hotline Staff. Martha was an active Pep Club member and participated in all school sports.

Martha has been a candidate for Homecoming Queen two times and was elected 1985 Queen.

Darrin was FFA president, a four-year member, and an area officer. He was a member of the Pep Club, Student Council, and served one year on the Hotline Staff as a class reporter. He played the saxophone in band which took him to state contests.

Darrin was on the track team for two years, and was Homecoming King candidate his senior year.

Martha and Darrin were members and '85 president and vice president of the National Honor Society. Martha plans to attend MWSC and become a coach. Darrin plans to attend MIT and get a degree as a computer engineer.

THE DOOR TO THE FUTURE

Walking down the aisle
Thinking of past days,
Trying to remember
Our young and crazy ways.
We never dreamed it would be sad —
Each step closer to that door.
We thought we would be feeling glad
At this moment not shared before.
It just can't be true.
The years seem to fly.
Many of us find it hard
To tell our friends "Goodbye."
We marchers are caught
In excitement and in fear.
Confused, and yet not,
As the door draws ever near.
Though the memories linger on,
Life will never be the same.
Step by step, our minds flying.
Our hearts burning like a flame.
The door is big and brown,
The hinges of shiny brass.
The outside soon to be the future,
The inside soon to be the past.

A jump shot from here?

It'll never work.

Am I doing this right?

Are you kidding?

Am I gonna make it?

What's the skinny on the deal?

I just love basketball games, don't you?

Think I can dunk it?!

What did you girls put in this?

We didn't do anything. Honest!

Sharp shooter.

Here, take this!

I'm ready for take-off.

Gee, I hope we win.

Oh! Did you see him?

Are we sharp dressed men or what?

Boy, was I shocked!

Being a clown is hard work.

"Sharing."

Do you smell something?

I can't believe we finally got our rings.

Aim and shoot!

Wake me up when it's over!

Sometime's I sits and thinks . . .

I can't reach it.

He's my bodyguard.

What did I just eat?

Do I dare go in?

Can we dance now?

I'm not peeking.

A FAMILY HOBBY BRINGS FAME TO TWO NORTH HARRISON STUDENTS

Tom and Alan Francis were 11 and 9 when the Francis family began competing in horseshoe tournaments.

Since that first year, 1979, the family's favorite sport has taken them to tournaments in several states including Minnesota, Arizona, Alabama, Nebraska, Iowa, North Carolina, and Texas.

The boys' parents, Larry and Joyce, have done well in the Men's and Women's classes in state and world competition over the years while Alan and Tom have given outstanding performances in the Junior Division (ages 17 and under) competition.

A Tough Job, But . . .

Leadership of the Student Council is a very demanding job. Rod and Martha served most successfully as the 84-85 president and vice-president.

The Student Council was responsible for two main school functions — the Christmas Ball and Homecoming Events.

Other Council Activities were providing a hospitality room at basketball games, having music at lunch in the cafeteria, and getting the lunch period extended five minutes.

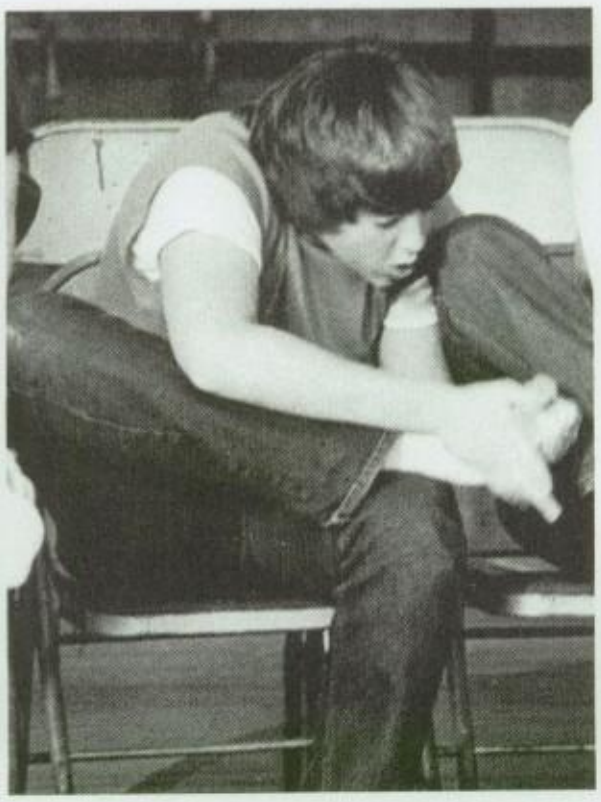
A little of this and a little of that . . .

Umm, strawberry lip gloss!



This little piggy . . .

Barbra, are you listening to me?

Totally awesome!

I'm dancing, I'm dancing!

Will you girls please look at me?

Mr. Hollywood?

Perry, will you define work?

Give me my tape recorder!

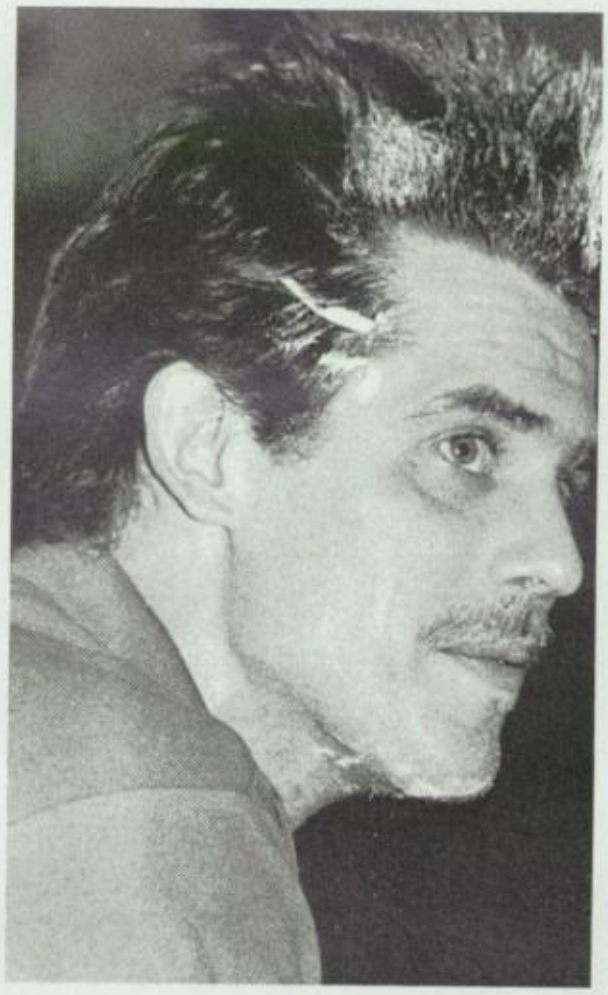
. . . And *Abracadabra!* Life is more fun!

We'll try anything to get guys!

A dress up occasion!

Do I look sweet sixteen?

We'd rather look at that cute guy!



Turning gray is frightening!

Hello! Hello! Is anyone there?

Do you want part of mine?

"If I only had a brain!"

Mom, can you still see me?

Two Long-Time Teachers Resign

Wanda L. Rinehart

Mrs. Rinehart has been a teacher for 22½ total years.Her first seven teaching years were in Iowa and Texas schools.

Mrs. Rinehart has taught English at North Harrison High School for an "unbelievable" 15½ years. In that time, she has gained respect and loyalty from her students. She has tried to help her students understand that "education is the process of expanding the horizons of our individual lives and worlds." We are going to miss her great sense of humor and her cackle; and, most of all, her great teaching ability.

Besides having six classroom preparations each year, Mrs. Rinehart's extra-curricular activities have included:

Junior Class Sponsor	3 years
Senior Class Sponsor	3 years
Student Council Sponsor	1 year
Newspaper Hotline Sponsor	4 years
Junior & Senior Play Director	3 years
Upward Bound Contact Person	5 years
Junior High Classes Sponsor	9 years
County Spelling Bee Coordinator	1 year
KTTN Disc Jockey Contest Advisor	10 years
Grundy Electric Essay Contest Advisor	5 years
Civic Oration Contest Advisor	5 years
CTA Officer	2 years

We wish Mrs. Rinehart all the best and all our love.

P. Jane Smith

Mrs. Smith has been around NHHS longer than anyone. She spent 4 years here as a high school student, 8½ years as secretary, and partial years as substitute teacher.

Mrs. Smith has been the teacher in the business department at North Harrison for eight years. She says the "P" in her name stands for "Plain," but she is far from being that. In her eight years here, she has formed a special bond between herself and her students. We are going to miss her because she is a great teacher and friend.

In addition to dedicated classroom teaching, Mrs. Smith has served as:

Junior Class Sponsor	2 years
Senior Class Sponsor	1 year
Student Council Sponsor	2 years
Hotline Advisor	1 year
National Honor Society Advisor	4 years
Pom Pon Sponsor	1 year
Junior Play Director	1 year
Music Contest Accompanist	6 years
CTA Officer	4 years
and a TERRIFIC Yearbook & Senior Edition Advisor for	4½ years

We wish Mrs. Smith the best of luck and lots of happiness. She deserves it all.

We Love You Both!

NHHS Students Excel In

Roy Waddell, Perry Stanley, Greg Hale, and Darrin Kabel made up the Farm Management team which qualified to compete in the State FFA Contest held in Columbia. The team finished 9th out of 60 teams in the state.

Kelli Bennett and Raymond Boothe received I Ratings at the District Music Festival in Maryville in the vocal solo division. Each competed at the State Contest in Columbia where they received II Ratings.

Poem to the Seniors

Another year goes passing by
Another Prom is here
To some this brings a joyous smile
To others, brings a tear
For four years you have tread a path
From dawn to setting sun
But now the path gets steeper
And the climb is just begun.
We're very glad to know you
We'll miss you when you're gone
And to the Class of '85
We dedicate our Prom.
